

Garman Family Foundation Spring 2019 Grant Information and Schedule

- The Garman Family Foundation (GFF) will consider requests that address the psychological, emotional, and social well-being and/or health of individuals with a preference for women, children, and education.
- Applications MUST be submitted electronically online. No paper, emailed, or pdf applications will be accepted. Outcome reporting will also be online when closing the grant. For your convenience, starting on page 2 are the guidelines and an outline of the questions you will be required to address when completing your electronic application.

Eligibility

- Applicants must be located in or serving one of the eight counties of Western New York: Allegany, Cattaraugus, Chautauqua, Erie, Genesee, Niagara, Orleans, and Wyoming.
- Grants are awarded only to organizations that have current Section 501(c) (3) status as determined by the Internal Revenue Service.
- Eligible organizations can expect to receive only one GFF grant per year. On a very limited basis, the Foundation will offer the opportunity for two-year support with second year support contingent upon year one outcomes.

Other Matters

- The maximum amount of funding that can be requested is \$50,000. Should an organization be requesting more than \$50,000, they *must* contact Jean McKeown, Vice President jeanm@cfgb.org in advance to discuss this request.
- The GFF will not consider funding for:
 - ❑ Higher education scholarships (Please see www.cfgb.org/for-scholarships for separate application, deadlines, and process)
 - ❑ Religious purposes
 - ❑ Projects outside Western New York (Allegany, Cattaraugus, Chautauqua, Erie, Genesee, Niagara, Orleans and Wyoming counties)
 - ❑ Schools not registered with the New York State Education Department
 - ❑ Attendance at or sponsorship of fundraising events for organizations
 - ❑ Annual events or festivals
 - ❑ Any partisan political activity. Funds from the foundation cannot be used to support or oppose a candidate for political office.
 - ❑ Projects and activities that have occurred. The GFF will not, except in extraordinary cases, provide payment or reimbursement for expenses incurred prior to the funding decision being communicated to the applicant.
- The GFF will consider allowing up to 10% of the grant amount for indirect costs.
- The GFF reserves the right to pay grants in a single installment or in “draws” at its sole discretion.
- The GFF requires that all successful applicants obtain three bids for any equipment purchase.
- The GFF requires that all grants be closed out within one year of the receipt of funds, with the exception of very limited two-year awards.
- At any given time organizations can only have one open grant with the GFF.
- The GFF reserves the right to conduct an independent evaluation of grant expenditures for up to four years. The grantee agrees to provide the information necessary to complete such an evaluation. Failure to submit requested information in a timely fashion may obligate the grantee to refund the grant.

- The use of grant funds for purposes not pre-approved by the GFF or not supported through required documentation will result in a request that those grant funds be returned to the GFF.
- The failure of an applicant to properly close out a grant in a timely manner will be a factor when considering new grant applications.
