Community Foundation for Greater Buffalo 2023 Bauman Fund Grant Guidelines

Grantmaking Philosophy

These 2023 Bauman Fund Grant Guidelines apply to applicants to the Oliver G. & Sarah Sloan Bauman Fund for the Arts. This Fund was established in 1996 by Sarah Bauman Baxter as a unique way to memorialize her father by including his name in her own endowment. Mrs. Baxter and her father shared a love for the classics, including classical languages, ballet and opera. At the end of her life, she translated that love into this bequest, which Mrs. Baxter said should help "perpetuate the appreciation of such fine arts as an important and integral part of our culture."

Criteria

Support shall be in the form of a grant, preferably matching funds.

Tier 1

Awards will be prioritized first for performances of "traditional, classical ballet and opera on the living stage, and preferably of the English, European, or Russian schools." Qualifying performances should "preserve the originality of their composition, so the ballets are presented in their traditional choreography, and operas are sung in the language in which they were composed (except certain operas which may be customarily be rendered in English and are regarded as 'traditional' by the Metropolitan Opera Company of New York)."

In honor of the donor's original intent, classical is defined as the period up to the start of World War I (1914)

Tier 2

If any funds remain after awards have been made to all ballet and opera nonprofits eligible under Tier 1, awards will be prioritized for qualifying performances presented through the encouragement and support of responsible music or theater nonprofits. Qualifying works shall "preserve the high quality of performance of traditional or classical works" of music, theater, or ballet from the repertoires traditionally considered classical for each medium.

Primary Award Criteria (follow questions in Project Description on page 4)

The Foundation evaluates grants in accordance with the eligibility criteria, priorities and other matters contained in these Guidelines and the answers to the eight questions listed under Project Description in the Bauman Fund Grant Application Requirements.

- Any partisan political activity. Funds from the foundation cannot be used to support or oppose a candidate for political office.

501(c)(3) Determination

Application Waiting Period

Eligible applicants may apply for a Bauman Fund Grant and may also apply for any other Foundation grant for which they are otherwise eligible. In addition, eligible applicants may apply for Bauman Fund grants in successive years. If an organization has a multiyear funding commitment from Bauman, they cannot submit a request until that commitment is completed.

Electronic Application Required

Bauman Fund Competitive grant requests will only be considered if they have been submitted electronically through the application website. Paper applications will not be accepted.

Other Matters

- ❑ The Foundation reserves the right to pay grants in a single installment or in “draws” at its sole discretion.
- ❑ The Foundation will consider multiyear requests on a limited basis.
- ❑ The Foundation requires that all successful applicants obtain three bids for any equipment purchase.
- ❑ The Foundation requires that all grants be closed out within one year of the receipt of funds with the exception of multiyear commitments. Multiyear grant recipients must submit yearly reporting in order to receive their next grant disbursement.
- ❑ The Community Foundation reserves the right to conduct an independent evaluation of grant expenditures for up to four years. The grantee agrees to provide the information necessary to complete such an evaluation. Failure to submit requested information in a timely fashion may obligate the grantee to refund the grant.
