## Overview

Wyoming Foundation

*A division of the Community Foundation  
for Greater Buffalo*

The Wyoming Foundation was created in 1976 by a group of community-minded individuals with a goal of improving the lives of Wyoming County residents. Today, almost 50 years later, it would be hard to find someone in the county who has not benefited from the programs and organizations that have received support from the many funds at the Wyoming Foundation.

---

### THE WYOMING FOUNDATION CONTINUES TO:

- ▢ Provide a vehicle through which individuals support causes and organizations important to them.
- ▢ Maximize clients' generosity by investing and growing their charitable assets.
- ▢ Support organizations on behalf of clients.

### ASSETS

In 2007, the Wyoming Foundation formalized its relationship with the Community Foundation for Greater Buffalo becoming a geographic division of the Community Foundation. With this relationship, the Wyoming Foundation now has a professional staff to support its work. As a part of the Community Foundation family, the Wyoming Foundation has access to an investment pool of over \$800 million, along with investment returns that place it among the top performing community foundations in the nation.

The Wyoming Foundation has approximately \$4.75 million in assets including:

- ▢ Client directed funds.
- ▢ Funds for specific issue areas.
- ▢ Funds supporting specific organizations.
- ▢ Academic scholarships.
- ▢ Funds to address the changing needs of Wyoming County over time.
  - ▢ Currently, the Council has approximately \$25,000 yearly to direct toward its funding priorities.

### FUNDING PRIORITIES

- ▢ Provide educational opportunities to youth, which equip them for future careers.
- ▢ The Wyoming Foundation will support initiatives and programs that can show maximum positive impact on Wyoming County.
- ▢ For the past two grant cycles, the Council has requested applications focusing on collaborative, innovative approaches addressing youth (18 and under) mental health.
